To whom it may concern,

Re: Reference

I was Martin's team leader across two separate work-streams for over 18 months.

Martin was always hard working and reliable with great communication skills. He was a go to for me when deadlines required immediate action and also someone, I trusted to provide assistance to other members of the team.

Martin has a genuine interest in customer outcomes and delivering on the business's consumer duty obligations.

Kind regards
Kieran Burke. (ex-team leader)

(Kieran no longer works for Huntswood, this is purely a character reference placed on a Huntswood backdrop)
