RE; Character reference, Martin Buckley.

To whom it concerns,

I have known Martin for approximately 3 years. Since knowing him he has proved himself to be honest, trustworthy and reliable. Martin has demonstrated continual pride in the quality of his work and is dependable to fulfil what is need from him.

Martin is a loving and committed father who continually puts the needs of his family before himself and is selfless in his actions. I wouldn't have a moment's hesitation in recommending Martin to anybody.

Yours sincerely
Richard Maughan
